Dear Sir:

Applicants hereby submit a renewed petition for revival of this unintentionally abandoned application.

On August 8, 2007, a Notice of Abandonment was mailed to Applicants for failure to pay the issue fee in the present application.

On August 30, 2007, Applicants filed a petition to withdrawn holding of abandonment under 37 CFR 1.181, and alternatively, a petition to revive an application for patent abandoned unintentionally under 37 CFR 1.137(b).

A Decision on the 37 CFR 1.181 petition was mailed to Applicants on September 26, 2007. The Decision did not address the 37 CFR 1.137(b) petition.

Pursuant to the discussion between Ms. Alesia Brown in the Office of Petitions and Applicant's representative Arthur Yang on October 2, 2007, Applicants submit a renewed

petition for revival of this application as being unintentionally abandoned under 37 CFR 1.137(b).

Payment of the issue and publication fees was previously submitted on July 11, 2007 in Form PTOL-85, and is herein submitted at Exhibit A. Please charge the issue and publication fees in the amount of \$1,700, to Deposit Account 50-4255. Applicants also authorize the Director to charge any deficiency, or credit any overpayment to the same Deposit Account.

Since this application was filed on or after June 8, 1995, no terminal disclaimer is required. Applicants have moved promptly to reinstate the application following the August 8, 2007 Notice of Abandonment. Applicants hereby state that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. Applicants respectfully request that the application be revived and allowed to issue as a patent.

Please charge the petition fee of \$1,500.00 under 37 CFR 1.17(m), and any additional other fees required to Deposit Account 50-4255.

Dated: 2 Oct 2007

Respectfully submitted,

By
